

GREEN SIGNAGE

Hall of Fame

2024

awarded to

Led-RPS-CL-R

by Sharp NEC Display Solutions Europe GmbH

Sharp NEC is awarded for its Remote Power Switch.

The product adds a remote power control to any LED wall while limiting the inrush current and eliminating standby power loss. Some characteristics:

0W

Eliminate the standby power loss of any LED Wall

Remote Power Switching

switchable by Room Management Systems thanks to easy integration via RS-485 or potential-free contacts.

Safe Operation

Inrush current limiting minimizes the impact on the facility electricity systems and lowers the amount of supply lines.
